### LIVE AN UNTETHERED LIFESTYLE

## Break Free with a Beachfront Wellness Work-Away

Stay a month, or more. Work remotely from a fiber-optic-powered suite on a natural, white sand beach. Release that pent-up energy by jumping from your video calls to salt-water swims, a wide selection of wellness activities, and so much more... Oh, and never do laundry, cook, or clean... Why wait?

Enjoy high-speed Wi-Fi or choose hard-wired ethernet inside our low-EMF-frequency suites. Dedicated AC units ensure your personal air stays cool, built-in bluetooth speakers give your music great quality sound, and your ensuite Nespresso machine will keep you going day or night.
